Improving the accuracy of static branch prediction using branch correlation - all 13 versions »

C Young, MQ Smith - Proceedings of the sixth international conference on ... 1994 - portal.acm.org

... architecture include a single static prediction bit which encodes the software-predicted branch direction. This paper does not present ...

Cited by 106 - [Related Articles](#) - [Web Search](#)

Alternative Implementations of Two-Level Adaptive Branch Prediction - all 28 versions »

TY Yeh, YN Patt - Computer Architecture, 1992: Proceedings., The 19th Annual ... 1992 - IEEE Explore.IEEE.org

... the pattern history information in the pattern history table changes dynamically in Two-Level Adaptive Branch Prediction but is preset in Static Training from ...

Cited by 523 - [Related Articles](#) - [Web Search](#)

Accurate static branch prediction by value range propagation - all 8 versions »

JRC Patterson - Proceedings of the ACM SIGPLAN 1995 conference on ... 1995 - portal.acm.org

Accurate Static Branch Prediction by Value Range Propagation ... This paper presents a new approach to static branch prediction called value range propagation. ...

Cited by 77 - [Related Articles](#) - [Web Search](#)

A comparative analysis of schemes for correlated branch prediction - all 21 versions »

C Young, N Gloy, MQ Smith - Computer Architecture, 1995: Proceedings., 22nd Annual ... 1995 - IEEE Explore.IEEE.org

... the fundamental differences between static and dynamic ... I Introduction Recent work in branch prediction has led to ... of both hardware and software schemes that ...

Cited by 126 - [Related Articles](#) - [Web Search](#)

Evidence-based static branch prediction using machine learning - all 12 versions »

B Calder, D Grunwald, M Jones, D Lindsay, J Martin ... - ACM Transactions on Programming Languages and Systems ( ... 1997 - portal.acm.org

... have invented, called Evidence-Based Static Prediction (ESP ... have been taken toward branch prediction, some of ... Patt 1993) while others involve software [Ball and ...

Cited by 59 - [Related Articles](#) - [Web Search](#)

Corpus-based static branch prediction - all 14 versions »

B Calder, D Grunwald, D Lindsay, J Martin, M Mozer ... - Proceedings of the ACM SIGPLAN 1995 conference on ... 1995 - portal.acm.org

... Software methods usually work in tandem with hardware methods. For ... In this section, we discuss the existing approaches to static branch prediction and also ...

Cited by 41 - [Related Articles](#) - [Web Search](#)

Characterizing the impact of predicated execution on branch prediction - all 4 versions »

SA Maniakis, RE Hank, RA Grunwald, JC Gyllenhaal, ... - Microarchitecture, 1994, MICRO-27: Proceedings of the 27th ... 1994 - IEEE Explore.IEEE.org

... or superblock scheduling [6], static branch prediction is used ... hardware scheduling, dynamic branch prediction is used ... Regardless of the prediction strategy em ...

Cited by 110 - [Related Articles](#) - [Web Search](#)

[book] Limits of instruction-level parallelism - all 4 versions »

DW Wall - 1991 - ACM Press New York, NY, USA

... We assume that hardware and software tech- ... To model trace scheduling, we can also assume static branch prediction based on a profile from an identical run; in ...

Cited by 392 - [Related Articles](#) - [Web Search](#) - [Library Search](#)

Fast and accurate instruction fetch and branch prediction - all 12 versions »

B Calder, D Grunwald - ACM SIGARCH Computer Architecture News, 1994 - portal.acm.org

... that use heuristics based on the direction of the branch target (forward or backward) or instruction opcode. While static prediction mechanisms, particularly ...

Cited by 91 - [Related Articles](#) - [Web Search](#)

Guarded execution and branch prediction in dynamic ILP processors - all 3 versions »

DN Pnevmatikatos, GS Sohi - Computer Architecture, 1994: Proceedings the 31st Annual ... 1994 - IEEE Explore.IEEE.org

... execution to facilitate the software pipelining of ... using trace selection based on branch frequencies, such ... are not amenable to static prediction are eliminated ...
